

Helping MassHealth members with their renewals

**Act now.
Stay covered.**

Executive Office of Health and Human Services

Today, we will:

- ✓ Explain what a MassHealth renewal is
- ✓ Discuss why renewals are especially important this upcoming year (2023 – 2024)
- ✓ Share what you can do you to support MassHealth members in preparing for and understanding how to complete renewals

Who this information is for

- This presentation contains information for individuals working in the community **who typically interact with MassHealth members**
- It is intended to give these individuals **helpful tips** for how they can help MassHealth members understand how to complete their renewal
- These tips cover **basic assistance** – such as reminding members of important deadlines, helping them understand written instructions, and directing them towards official MassHealth resources
- They **do not** imply that individuals may access a MassHealth's member's private information or act on their behalf
 - All individuals using this guide should remember that a MassHealth's member private health information (PHI) is protected under HIPAA Privacy Rules. This means that individuals working with MassHealth members should not distribute MassHealth member information internally or externally unless authorized to do so.
- Furthermore, the right to access or update a MassHealth's member's information is reserved for officially designated representatives, certain MassHealth employees, and Certified Assistance Counselors (CAC) / Navigators
 - If you or your organization is interested in becoming a CAC, see page 18
- However, you do not need to be an official representative or CAC to meaningfully help a member. **The tips in this guide will help you, as an individual, have an important and positive impact on MassHealth members**

What is a MassHealth renewal?

- Federal law requires MassHealth to regularly **check whether members are still eligible for MassHealth**. This ‘check’ is called a “renewal” (also sometimes called an “annual review”)

- Renewals and annual reviews need to occur every year

- Members get their **renewal forms in the mail**
 - Renewals occur at the household level, and are sent to the Head of Household
 - Some members may be automatically renewed. This means that MassHealth will automatically process a member’s renewal by matching their information against state and federal data. In this case, MassHealth does not need any new information and no action is needed.
 - If MassHealth does not have enough information to automatically renew a member, members will need to report new information. They will get a renewal form in a blue envelope. If members do not reply, their coverage may end

Why are we talking about renewals this year?

- At the beginning of the COVID-19 public health emergency (PHE), the federal government implemented **continuous coverage** requirements
- In response to these requirements, **MassHealth put protections in place that prevented members' MassHealth coverage from ending.** These protections have been in place since February 2020.
- The federal government will end continuous coverage requirements on April 1, 2023. At this time, **MassHealth will return to our standard annual eligibility renewal processes**
- **All members will be renewed by MassHealth** to ensure they still qualify for their current benefit. However, many members will be automatically renewed, including those who receive Social Security Insurance (see next page for more details)
- These **renewals will take place over 12 months**, from April 2023 – 2024. This means that **members could get their renewal forms in the mail at any time during this 1 year period**

A note on automatic renewals

- Whenever possible, MassHealth will attempt to automatically process a member's renewal through multiple avenues
- Certain members who belong to the following categories may be automatically renewed in the April 2023-April 2024 redeterminations cycle:
 - Members receiving **SSI through the U.S. Social Security Administration** because they are 65 and older and have limited income/resources
 - Members receiving **SSI through the U.S. Social Security Administration** because they are disabled and have limited income/resources
 - Members receiving **TANF (Temporary Assistance of Needy Families) through DTA**
 - Members who are currently or formerly in the custody of the **Department of Children & Families (DCF)** who are:
 - Ages 0-18
 - Ages 18-22 and adopted (previously in DCF custody)
 - Ages 18-26 and not adopted (former foster youth)
 - Children and youth in custody of the **Department of Youth Services (DYS)**
- **However, if these members receive a blue envelope with a renewal notice, or any other mail with a call to action from MassHealth, they must respond**

There are two ways you can help members stay covered

1

Help them **PREPARE** for renewals

While members are waiting for their renewals to arrive in the mail, there are steps that you, as a trusted advisor, can take to make sure they have the information they need

2

Help them understand how to **COMPLETE** renewals

*You can help MassHealth members understand how to complete their renewals** – whether that means sitting side by side and helping them understand instructions on a form, or directing them to a MassHealth-specific renewal resource*

***Note that you may, upon request, help members read their mail and understand instructions. You may not access their private information or act on their behalf, unless you are an Authorized Representative Designee (ARD)*

1 How to help MassHealth members prepare for renewals

When you interact with members one on one

- **Ask them if they've moved in the past few years** (since 2020) and remind them to update their address, phone, and email with MassHealth
- **Remind them** to report all household changes (e.g., income, job, pregnancy) to MassHealth
- **Remind them** to read all mail that could be from MassHealth, and to be on the look-out for a blue envelope
- **Tell them they can come to you for help** when mail from MassHealth arrives

In spaces where members visit

- **Post flyers** telling members about the upcoming renewals
 - You can find flyers in the Phase 2 toolkit that MassHealth has distributed to you
 - If you haven't yet received a toolkit, you can download one at <https://www.mass.gov/info-details/redeterminations-outreach-toolkit-phase-2>

In member-facing communications (e.g., listserves, newsletters)

- **Send an email blast on a regular basis (e.g., ~monthly April – April)** educating members about the upcoming renewals
 - You can find a sample email in the Phase 2 toolkit – please customize this as appropriate for your audience
 - Add a line about how members can come to you for support when they receive their renewal
 - If you haven't yet received a toolkit, you can download one at <https://www.mass.gov/info-details/redeterminations-outreach-toolkit-phase-2>

More details: how to help members update their information

Members under 65 years old

- The easiest way to update a member's MassHealth information and report changes is using their MA Login Account at www.mahix.org/individual.
- If they don't yet have an account, you can help them create one by following the link at the back of their MassHealth notices or by calling 844-365-1841*

- You can also call MassHealth Customer Service at (800)-841-2900, TDD/TTY: 711
- The IVR also allows you to check on whether you owe any documents to MassHealth

- Members can get help from a Certified Application Counselor or Navigator. Go online to find the nearest organization at <https://my.mahealthconnector.org/enrollment-assisters>

Members over 65 residing in the community and of any age receiving nursing facility care or in HCBS waivers

- Call MassHealth Customer Service at (800)-841-2900, TDD/TTY: 711
- The IVR also allows you to check on whether you owe any documents to MassHealth

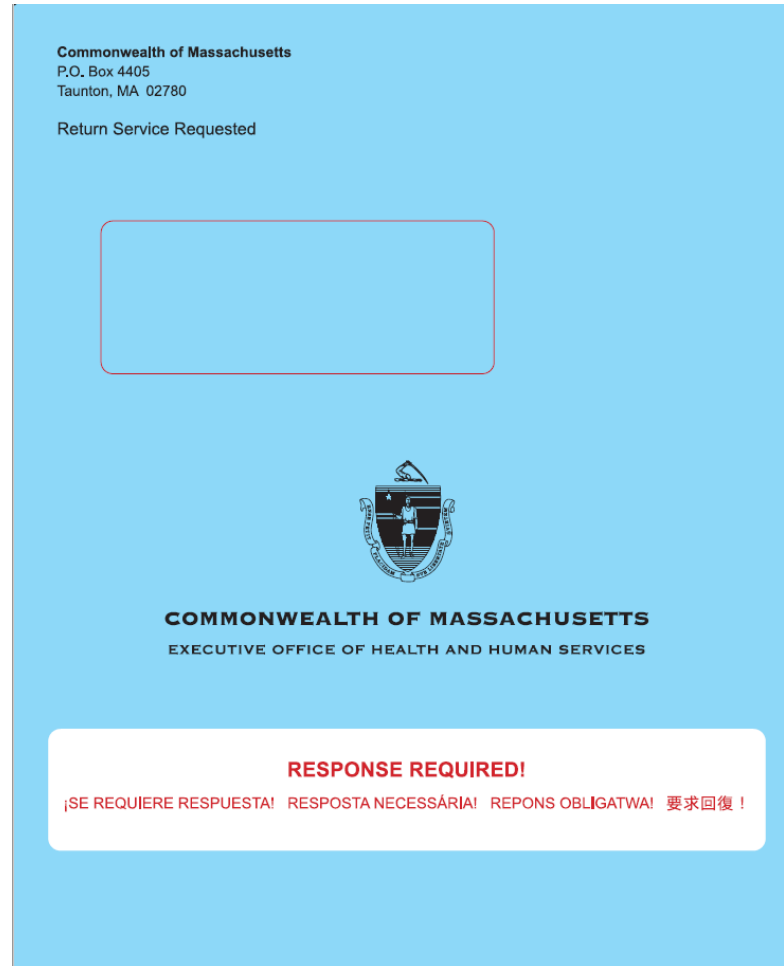

- Members can get help from a Certified Application Counselor or Navigator. Go online to find the nearest organization at <https://my.mahealthconnector.org/enrollment-assisters>

Note that **the Head of Household (HOH)** can update MassHealth information on behalf of the entire household. Individual household members may update information that is applicable to themselves only.

*If a member has eligibility for MassHealth through another program, such as Social Security Insurance (SSI), they will not be able to create an MA Login Account.

Tell members to look out for the blue envelope!

Also tell members to watch for an **auto-renewal notice** (which they may get instead of a blue envelope if they are automatically renewed) and **any other mail that could be from MassHealth**, such as Requests for Information or Verification (arrive in white envelopes)

How to help MassHealth members complete their renewal

Note: Some members may have their coverage auto-renewed, which means they won't receive a blue envelope and won't need to take any action to renew their coverage.

Help them read & understand mail from MassHealth

- **Help them understand the contents of their blue envelope**, renewal notice, or other MassHealth forms
 - If they are vision-impaired, read them the phone number to call to request a large print or braille version, and help them update their notice preferences
 - Help translate language as necessary (forms will arrive in multiple languages)
 - Circle the date they must renew by
 - Walk through the instructions with them and make sure they understand what action they need to take

Make a concrete plan

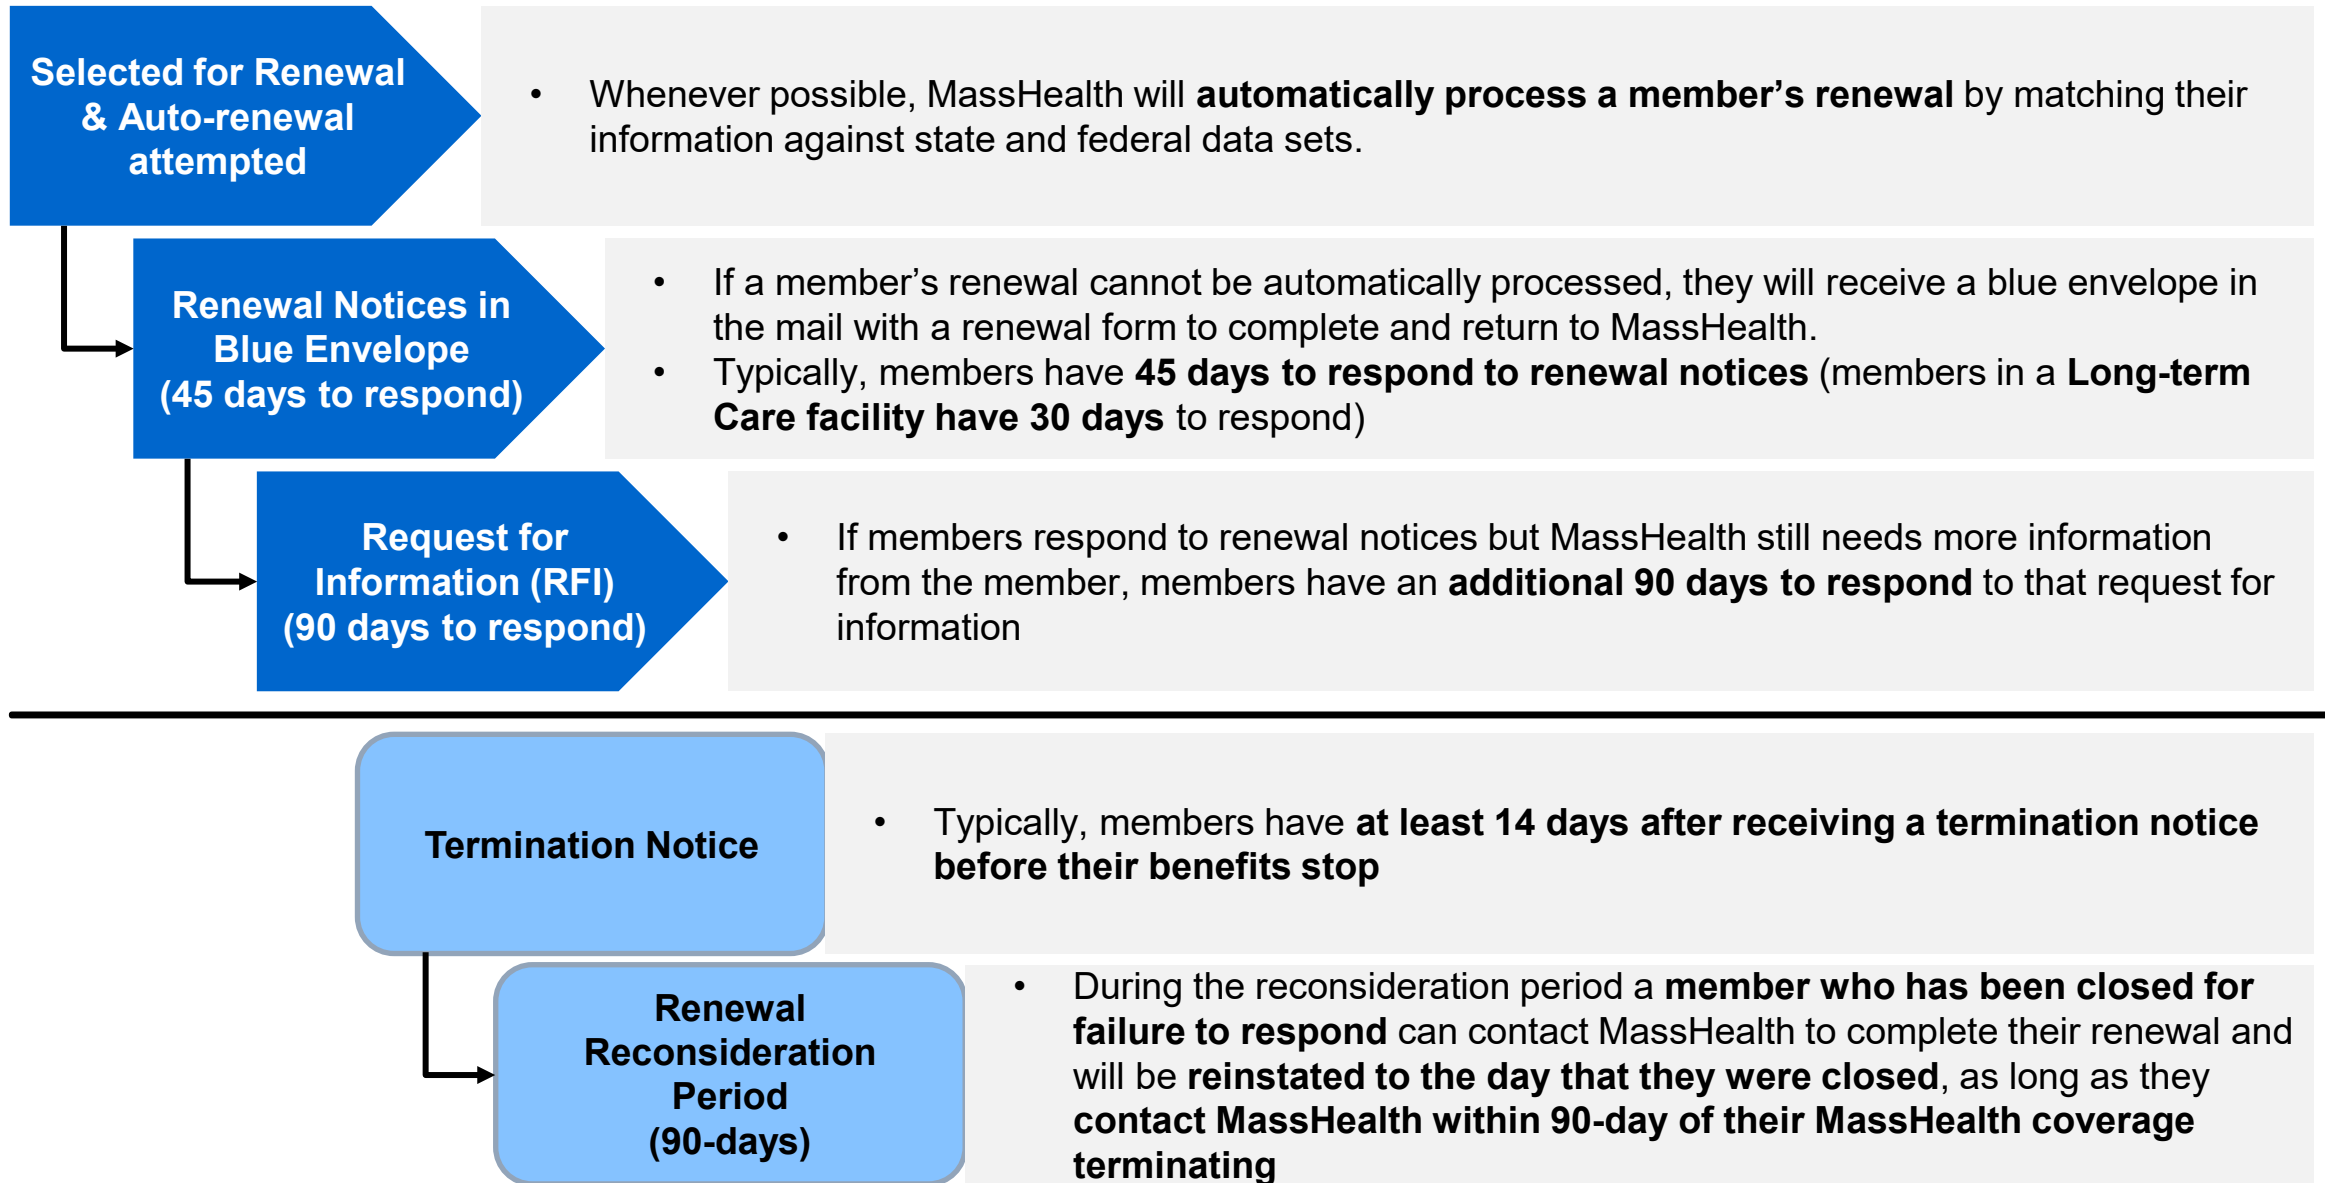

- **Help the member decide how they will complete their renewal – online, via phone, via paper, etc.**
 - Online renewals are the fastest & easiest when possible – you can help members with this!
 - See following pages for more information on how members can complete renewals
- **Make a concrete plan** with the member about how they will gather the supporting documentation and when they will submit the renewal by (i.e., a concrete date)

Connect them with support resources

- If a member has questions on their renewal that you cannot answer, **connect them with MassHealth resources that exist to support them**
- These resources include (see *following pages for more details*):
 - The MassHealth Enrollment Centers (MECs)
 - Certified Assistance Counselors and Navigators
 - The MassHealth Customer Service Center

Other ways you can help

- 1) **Sign up for the MassHealth Eligibility Redeterminations Email List** - Sign up to receive emails for the latest news and updates on MassHealth's redetermination process: www.mass.gov/forms/masshealth-eligibility-redeterminations-email-list-sign-up
- 2) **Join the Massachusetts Health Care Training Forum (MTF) email list and attend trainings** - MTF aims to communicate accurate, timely information relating to MassHealth policies and operations, other state programs, and public assistance programs and services to all health care organizations and community-based agencies. Upcoming sessions will focus on MassHealth redeterminations.
 - 1) Click here to join the email list: www.surveymonkey.com/r/MTFListservNEW2021
 - 2) For more information, visit the MTF website: <https://www.masshealthmtf.org/>
- 3) **Become part of the CAC program** - Certified Application Counselors (CACs) help people apply for health insurance benefits, enroll in health plans, and maintain health insurance coverage. In Massachusetts, the CAC Program is a joint program, administered by MassHealth and supported by the Massachusetts Health Connector.
 - 1) The CAC Program is a voluntary program, no one pays for the help they receive from a CAC
 - 2) Individuals do not need a CAC to apply for or receive benefits. CACs help people apply for health insurance benefits, enroll in health plans, and maintain health insurance coverage
 - 3) Individuals alone cannot become CACs. Your organization must partner with MassHealth and the Massachusetts Health connector, and then individuals within your organization can be trained as CACs

If you are interested in the CAC Program email us at mahealthconnectortraining@massmail.state.ma.us.

Final tips and reminders

- 1 If members are under 65, the **fastest and easiest way** to renew their coverage is online using their MA Login Account at www.mahix.org/individual.
- 2 If members are over 65 or in a nursing facility or HCBS waiver, the **fastest and easiest way** to submit their renewal is via eSubmission at <https://mhesubmission.ehs.mass.gov/esb>
- 3 **Remind members to tell MassHealth** if they have moved, changed jobs or income, become pregnant, or had other changes in their household over the past 2-3 years
- 4 Due to the large number of renewals that need to be done this year, members may have **longer than usual hold times** at the Customer Service center
- 5 Members may not get their renewal forms right away – **be on the lookout from now until April 2024**
- 6 Please use the resources available to help you help members (the MECs, the Customer Service center, CACs / Navigators). **MassHealth thanks you for your invaluable help making sure members keep the best coverage they qualify for**

Enrolling into Health Connector Coverage

NEW Special Enrollment Period

If someone loses access to MassHealth coverage, it is considered a loss of coverage and a Qualifying Life Event, that triggers a Special Enrollment Period (SEP).

- A SEP means that someone can enroll in or change health insurance plans outside the annual Open Enrollment period.
- Beginning on 4/1, anyone who receives a SEP for any qualifying life event will have their enrollment window extended to 11/23.

Special Enrollment Periods (cont'd)

- Other life events that let someone qualify may include:
 - Changes in household make-up, income, immigration status, or address
 - Certain other life changes, like getting married, having a baby, or losing job-based health insurance

Applicants must:

- Report any life changes that would impact their eligibility, like starting or ending a job within 30 days of it occurring
 - Many life changes result in someone qualifying for a SEP
 - Payment and enrollment deadlines still apply during a Special Enrollment Period

How Will this Work in the Online Application?

- When an applicant is in their online application, the SEP questionnaire screens will work as it does currently, but with an extended enrollment window.
- The Health Connector will continue to mail members SEP decision notices, and we will request proof as needed.

Thank You!
