

# Let's Do This Together.

Get help renewing your MassHealth coverage...from start to finish.

Stop by a special MassHealth enrollment event and talk to us one-on-one about MassHealth coverage. Whether you are renewing, applying for the first time, or have questions about coverage, our friendly experts are specially trained to assist you.

## Help us help you by bringing the following:

-  Identification, like a driver's license or passport, if available
-  The birthdates and social security numbers for all members in your household who want to apply, if available
-  Immigration documents for all non-U.S. citizens who are applying, if available
-  A recent pay stub or a copy of your latest federal tax return
-  Home or mailing addresses for everyone in the household who wants insurance, unless they are homeless
-  Your e-mail address, if you have one
-  Proof of Massachusetts residency, like a utility bill, rental agreement and rent receipt, or a letter from your landlord
